

WEEK 3 • THE COCOON

Emotional Life

Feelings are information, not instructions. You can't stop the wind, but you can learn to fly with it.

A WORD OF CARE

This program is for reflection and growth. It isn't therapy or a substitute for professional care. If something heavy comes up, reach out to someone you trust or a counselor. In a crisis, contact local emergency services; in the US, call or text 988.

MOVEMENT 1

The Air I'm In

Your emotions are the air you fly through: lift, headwind, sometimes storm. No judgment here. Every habit you have with feelings made sense at some point.

thriving

The three feelings that visit me most often these days

When a hard feeling shows up, what I usually do is...

Is there an old hurt I'm still carrying? (Name it, or just note that it's there.)

Growing up, which feelings seemed not to be allowed?

MOVEMENT 2

My Truth

Look at each belief you carry about this part of your life. Is it true for me? Is it mine, or was it handed to me? Does it lift me, or weigh me down?

Beliefs people sometimes carry (which feel familiar?)

- Strong people don't cry.
 - If I let myself feel it, I'll fall apart.
 - Other people are responsible for how I feel.
- Anger is always bad.
 - Feelings are information, not instructions.
 - Healing isn't linear, and it's allowed to take time.

My belief sorter write each belief, then circle

THE BELIEF	WHOSE IS IT?	EFFECT
	mine · handed	lifts · weighs
	mine · handed	lifts · weighs
	mine · handed	lifts · weighs
	mine · handed	lifts · weighs

My Truth 3–5 sentences, present tense, the beliefs I choose to live by

MOVEMENT 3

My Horizon

Not a life without hard feelings: a life where you feel what you feel, understand what it's telling you, and respond instead of react. How do you meet a hard day? Express anger or hurt? How much room is there for joy?

My emotional life when it's thriving present tense, specific enough to picture

The weight I'm ready to begin setting down optional; "not yet" is an honest answer

MOVEMENT 4

My Why

A thriving emotional life matters to me because...

The people who will feel the difference are...

If nothing changes here, what it costs me is...

MOVEMENT 5

My Flight Plan

Wing-sized: practices, choices and boundaries sized to the life you actually have. Two or three you'll keep beat ten you'll drop by Thursday.

My daily weather check once or twice a day, name what I'm feeling in one word

My plan for storms pause, three slow breaths, name it, ask what I need

My healthy outlets writing, music, prayer, outdoors, talking, creating, crying

My support the people I'll reach for; healing happens in connection

MOVEMENT 6

My Next Right Movement

This week, I will...

When

How I'll know I did it

Name the Weather

Three times a day, pause for one breath and ask: What am I feeling (one word)? Where do I feel it in my body? What is it asking for? Write one line each day.

Feeling words if you need help naming it

peaceful · hopeful · joyful · grateful · loved · proud · curious · tender · tired · restless · anxious · afraid ·
frustrated · angry · hurt · lonely · sad · grieving · ashamed · overwhelmed · numb · relieved
