

WEEK 4 • THE VESSEL

Health & Fitness

Your body isn't an ornament, a project, or the enemy. It's the vessel that carries your life.

NAME

WEEK OF

A WORD OF CARE

This is for reflection and planning, not medical advice. Before changing your exercise, what you eat, or your medications or treatment, talk with your doctor or care team. This week is for every body.

MOVEMENT 1

The Air I'm In

Health is care: daily, practical, patient care of the vessel you actually have. Fitness is capacity: the strength and energy to live the life in your Charter.

My health & fitness today circle one

empty 1 2 3 4 5 6 7 8 9 10 thriving

Three words that describe my relationship with my body right now

What my body has been trying to tell me lately...

What gets in the way of caring for my body...

Six parts of care 1 to 10

Energy	1	2	3	4	5	6	7	8	9	10
Sleep & rest	1	2	3	4	5	6	7	8	9	10
Nourishment	1	2	3	4	5	6	7	8	9	10
Movement	1	2	3	4	5	6	7	8	9	10
Medical care	1	2	3	4	5	6	7	8	9	10
How I speak to my body	1	2	3	4	5	6	7	8	9	10

MOVEMENT 2

My Truth

Look at each belief you carry about this part of your life. Is it true for me? Is it mine, or was it handed to me? Does it lift me, or weigh me down?

Beliefs people sometimes carry (which feel familiar?)

- My body has let me down.
 - Health is for people with more time and money than I have.
 - If I can't do it perfectly, why bother?
- Exercise has to hurt to count.
 - My body deserves care, exactly as it is today.
 - Small, steady care changes everything.

My belief sorter write each belief, then circle

THE BELIEF	WHOSE IS IT?	EFFECT
	mine · handed	lifts · weighs
	mine · handed	lifts · weighs
	mine · handed	lifts · weighs
	mine · handed	lifts · weighs
	mine · handed	lifts · weighs
	mine · handed	lifts · weighs

My Truth 3–5 sentences, present tense, the beliefs I choose to live by

MOVEMENT 3

My Horizon

Thriving for your body, not anyone else's. How do you feel when you wake? What does your energy carry you through? What movement does your body enjoy? How do you rest? How do you speak to your body?

My health & fitness thriving, for my body present tense, specific enough to picture

MOVEMENT 4

My Why

Caring for my vessel matters to me because...

The people who will feel the difference are...

If nothing changes here, what it costs me is...

MOVEMENT 5

My Flight Plan

Wing-sized: practices, choices and boundaries sized to the life you actually have. Two or three you'll keep beat ten you'll drop by Thursday.

Nourishment one or two changes that help me feel well

Movement my body can enjoy whatever movement is available to me; start where I am

Rest & sleep a bedtime, a wind-down, rest before I crash

My care team doctor, therapist, trainer, caregivers, a friend; the appointment I've put off

MOVEMENT 6

My Next Right Movement

This week, I will...

When

How I'll know I did it

Thank the Vessel

Each day for seven days: one act of care for your body, and one thank-you to a part of your body for something it did today. Write one line: the care, and the thank-you.

DAY 7

Reading all seven lines together, I notice...

To bring to this week's Gathering: What did your body tell you this week?

Head up. Wings out.
