NAME

WEEK OF

### BEFORE YOU BEGIN

Introverts welcome: this week is about depth, not a crowded calendar. If you feel lonely right now, that's very common and not a flaw in you. Circles shrink in some seasons, and they can grow again.

MOVEMENT 1

# The Air I'm In

Your friendships, your community, and the people you choose to travel with. No one should have to travel their path alone.

My social life today circle one

MOVEMENT 2

# My Truth

Look at each belief you carry about this part of your life. Is it true for me? Is it mine, or was it handed to me? Does it lift me, or weigh me down?

**Beliefs people sometimes carry** (which feel familiar?)

- I'm too busy for friends right now.
  - People don't really want me around.
  - Making friends as an adult is impossible.
- I have to be the strong one. I don't need anyone.
  - It's worth reaching out first.
  - I can be a good friend and still have boundaries.

**My belief sorter** write each belief, then circle

| THE BELIEF | WHOSE IS IT?  | EFFECT         |
|------------|---------------|----------------|
|            | mine · handed | lifts · weighs |
|            | mine · handed | lifts · weighs |
|            | mine · handed | lifts · weighs |
|            | mine · handed | lifts · weighs |
|            | mine · handed | lifts · weighs |
|            | mine · handed | lifts · weighs |

**My Truth** 3–5 sentences, present tense, the beliefs I choose to live by

### MOVEMENT 3

## My Horizon

Who's around your table? How often do you laugh? Who do you call on a hard day, and who calls you? Where do you belong? How do you contribute to the people and places you love?

**My social life when it's thriving** present tense, specific enough to picture

---

---

**The kind of friend I'm becoming** who I am to the people in my circle

---

---

---

### MOVEMENT 4

## My Why

**A thriving social life matters to me because...**

---

---

**The people who will feel the difference are...**

---

**If nothing changes here, what it costs me is...**

---

## MOVEMENT 5

# My Flight Plan

Wing-sized: practices, choices and boundaries sized to the life you actually have. Two or three you'll keep beat ten you'll drop by Thursday.

**Nurture** the two or three friendships I'll invest in on purpose

---

---

---

**Reach out** one new connection, or an old friendship to rekindle

---

---

---

**Belong** a community where I'm known over time, like the Collective

---

---

---

**Boundaries** what drains me, and what I'll protect

---

---

---

## MOVEMENT 6

# My Next Right Movement

This week, I will...

---

---

When

---

How I'll know I did it

---

# Seven Reaches

Each day for seven days, reach toward one person on purpose: a thinking-of-you text, a call, an invitation, a thank-you, a check-in, a hello to someone new. Write who, and what happened.
