NAME

WEEK OF

A WORD OF CARE

This is for reflection and planning. It isn't financial, legal or tax advice. For decisions about investments, debt, taxes or benefits, talk with a qualified professional. If money stress feels overwhelming, a nonprofit credit counselor is a good first call.

MOVEMENT 1

The Air I'm In

Look without shame. Shame keeps us from looking, and we can't change what we won't look at. Thriving here means enough, clarity and peace.

My financial life today circle one

empty 1 2 3 4 5 6 7 8 9 10 thriving

Three words that describe my relationship with money

How I feel when I check my balance...

The money story I grew up with...

MOVEMENT 2

My Truth

Look at each belief you carry about this part of your life. Is it true for me? Is it mine, or was it handed to me? Does it lift me, or weigh me down?

Beliefs people sometimes carry (which feel familiar?)

- I'm just bad with money.
 - There will never be enough.
 - Wanting more money makes me greedy.
- If I don't look, it isn't real.
 - Money is a tool that can serve what I love.
 - I can learn to handle money well, one small step at a time.

My belief sorter write each belief, then circle

THE BELIEF	WHOSE IS IT?	EFFECT
	mine · handed	lifts · weighs
	mine · handed	lifts · weighs
	mine · handed	lifts · weighs
	mine · handed	lifts · weighs
	mine · handed	lifts · weighs
	mine · handed	lifts · weighs

My Truth 3–5 sentences, present tense, the beliefs I choose to live by

MOVEMENT 3

My Horizon

A real, grounded picture. How do you feel checking your accounts? What worries are gone? What cushion do you have? What debt is cleared? How do you give? What money talks have become easy?

My financial life when it's thriving present tense, specific enough to picture

What I want my money to make possible security, freedom, rest, generosity, experiences, legacy

MOVEMENT 4

My Why

Peace with money matters to me because...

The people who will feel the difference are...

If nothing changes here, what it costs me is...

MOVEMENT 5

My Flight Plan

Wing-sized: practices, choices and boundaries sized to the life you actually have. Two or three you'll keep beat ten you'll drop by Thursday.

Know my numbers a regular money date: what came in, went out, is coming

Spend on purpose a simple plan that sends money toward what matters

Cushion & debt one step: start a fund, list debts, choose the first

Generosity & support how I'll give; who helps me with money

MOVEMENT 6

My Next Right Movement

This week, I will...

When

How I'll know I did it

Follow the Flow

Each day for seven days, notice one money moment (a purchase, bill, gift, worry, or moment of enough). Write what it was, whether it matched what matters, how it felt, and one thank-you for something that provided for you.

DAY 7

Reading all seven lines together, I notice...

To bring to this week's Gathering: What did your money tell you about what you value?

Head up. Wings out.
