MOVEMENT 1

The Air I'm In

Bigger than a job title: what you give your time, skill and energy to. When work lines up with your calling, even hard days have meaning.

My career today circle one

empty 1 2 3 4 5 6 7 8 9 10 thriving

Three words that describe my work life right now

The parts of my work that light me up...

The parts that drain me...

Six parts of my work life 1 to 10

Meaning	1	2	3	4	5	6	7	8	9	10
Using my strengths	1	2	3	4	5	6	7	8	9	10
Growth	1	2	3	4	5	6	7	8	9	10

MOVEMENT 2

My Truth

Look at each belief you carry about this part of your life. Is it true for me? Is it mine, or was it handed to me? Does it lift me, or weigh me down?

Beliefs people sometimes carry (which feel familiar?)

- Work is supposed to be hard. Enjoying it is a luxury.
 - It's too late for me to change direction.
 - My worth is measured by how productive I am.
- I have to choose between meaningful work and paying the bills.
 - My work can be an expression of who I am.
 - Every season of work can teach me something.

My belief sorter write each belief, then circle

THE BELIEF	WHOSE IS IT?	EFFECT
	mine · handed	lifts · weighs
	mine · handed	lifts · weighs
	mine · handed	lifts · weighs
	mine · handed	lifts · weighs
	mine · handed	lifts · weighs
	mine · handed	lifts · weighs

My Truth 3–5 sentences, present tense, the beliefs I choose to live by

MOVEMENT 3

My Horizon

What are you doing, and for whom? Which strengths are you using? What does a good workday feel like? How much do you work and rest? What are you known for? What do you receive in return?

My career when it's thriving present tense, specific enough to picture

The difference I want my work to make in one life, my community, or the world

MOVEMENT 4

My Why

Work aligned with my calling matters to me because...

The people who will feel the difference are...

If nothing changes here, what it costs me is...

MOVEMENT 5

My Flight Plan

Wing-sized: practices, choices and boundaries sized to the life you actually have. Two or three you'll keep beat ten you'll drop by Thursday.

Strengths using more of what I'm good at and love doing

Growth one skill, course, credential or experience

Boundaries & energy hours, rest, and the no's that make my pace sustainable

Allies & next steps mentor, manager, coach, network; the next conversation

MOVEMENT 6

My Next Right Movement

This week, I will...

When

How I'll know I did it

Lift and Drag

Each workday for seven days, notice one task that gave you lift (energized you) and one that created drag (drained you). Not in paid work? Use whatever you gave your energy to. Write one line: lift, and drag.

DAY 1

DAY 2

DAY 3

DAY 4

DAY 5

DAY 6

DAY 7

Reading all seven lines together, I notice...

To bring to this week's Gathering: What gave you lift, and what created drag?

Head up. Wings out.
